

NOTICE

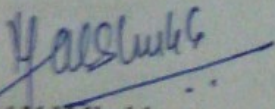

STRUCTURAL HEALTH ASSESSMENT OF DPS CGHS LTD BUILDING

The team of STRUCTURAL ENGINEER hired for the purpose of assessing the Health of the Society Building , to include 90 dwelling units, roof exposed beams, cantilevers and pillars, will be with us on SATURDAY 19th NOVEMBER 2016 . They will

- A. Physical Inspection of 90 flats
- B. Site photographs with damaged areas
- C. Collect samples from the beams, columns, walls and any other area where occupants feel that is weak structurally.
- D. Finding of general defects / damages as per visual inspections

Kindly allow inspection by the team and give your requirement of repairs FLATWISE, for its assessment.

If there is a change in date , you all will be informed through Notice Board.
